Other

If other, please specify:

- (d) If there are other nationally-recognized valuation organizations (either by legal decree or general consensus) in your country, please identify them and briefly describe their mission, especially as to how it differs from that of your organization. Also indicate whether or not you have any cooperative working or other relationships and whether or not there are plans to merge the organizations.**

CRITERION 2:	PROFESSIONAL STANDARD-SETTING
---------------------	--------------------------------------

IVSC membership criteria require that the member body participate in or contribute to professional standard-setting. Accordingly, please describe the areas of professional standards (e.g., valuation, ethics, education, etc.) in which your organization sets standards and the official/public recognition that is attached to those standards.

Where your organization is not the standard-setter please describe how your organization participates in or contributes to the process.

If there are other organizations that set standards for the profession (e.g., a regulatory agency), briefly describe that/those organizations and the authority of its/their pronouncements for your members.

CRITERION 3: MEMBERSHIP ADMISSION CRITERIA AND ENFORCEMENT

Candidates for IVSC membership should demonstrate that they use due diligence in admission and standards for professional conduct are applied to those members and others who have a professional title/ designation

- (a) Indicate the name(s) of the professional title(s)/designation(s) for your members. Also indicate whether or not there are different classes of membership of professional title/designation and a brief description of each.**

In some countries, using the designation “valuer” (or “appraiser”) is regulated or accepted by general consensus. If this is the case in your country, please describe the regulation or accepted consensus.

- (b) Describe briefly the conditions for membership in your organization, to include the basic educational standard (e.g., university degree), practical training/experience requirements, examination system, continuing education, other.**

- (c) Describe any additional licensing or registration requirements that individuals with the title(s)/designation(s) must have to actually practice in the jurisdiction. Also indicate whether or not membership in your organization is mandatory for such titled/licensed professionals;**

- (d) Indicate whether professional designations from foreign jurisdictions are accepted for membership and, if so, the requirements and arrangements. Please also indicate the foreign designations currently accepted by your organization or the organizations that your organization has mutual recognition arrangements.**

CRITERION 6: OPERATING STRUCTURE
--

IVSC membership candidates must provide details about their governance and operating structure that will enable it to provide proper support and oversight of its membership. Please provide the following documentation. If submitted in the local language, please provide a brief English-language summary/description of the documentation.
